Minnesota Mental Health Resource Toolkit

MPRnews

WELL BEINGS

The **WELL BEINGS** campaign addresses the critical health needs in America through broadcast content, original digital content, and impactful local events. The multi-year campaign, created by WETA Washington, D.C., brings together partners from across the country, including patients, families, caregivers, teachers, medical and mental health professionals, social service agencies, private foundations, filmmakers, corporations and media sponsors, to create awareness and resources for better health for all. To learn more, visit [WellBeings.org](https://www.WellBeings.org) or follow [@WellBeingsOrg](https://www.instagram.com/WellBeingsOrg) on [Instagram](https://www.instagram.com/WellBeingsOrg), [Facebook](https://www.facebook.com/WellBeingsOrg), or [Twitter](https://www.twitter.com/WellBeingsOrg), and join the conversation with [#WellBeings](https://www.twitter.com/WellBeingsOrg).

Mental Health challenges come in many forms, from all walks of life. **WELL BEINGS** has put together this guide as a reference to the resources that exist nationally and right in your backyard that are available to help you or someone you care about that might be facing a Mental Health challenge.

If you are in crisis, or experiencing thoughts of suicide, please text the **Crisis Text Line** (text **HELLO** to **741741**) or call the **National Suicide Prevention Lifeline** at **1-800-273-TALK (8255)**. Both services are free and available, 24 hours a day, seven days a week.

LOCAL RESOURCES

There is help close to home. Below we highlight community organizations that specialize in the mental health needs of Minnesota residents.
